IN RE:	Application of Time Warner Cable	)	ORDER GRANTING
	Information Services, LLC for an Extension	)	90-DAY EXTENSION OF
	of Time for Activation of Number Resources	)	TIME FOR ACTIVATION
		)	OF NUMBERING
		)	RESOURCES

This matter comes before the Public Service Commission of South Carolina (“Commission”) on a request from Time Warner Cable Information Services, LLC (“Time Warner”) for a 90-day extension of time for activation of numbering resources. The record shows that this request results from a delay associated with the activation of interoffice trunking facilities. The South Carolina Office of Regulatory Staff supports granting the extension of time. It is therefore ordered that Time Warner Information Services, LLC is granted a 90-day extension from the date that the numbering resources will expire.

We note that this request actually came to the Commission indirectly via an email to the Office of Regulatory Staff and therefore instruct Time Warner Cable Information Services that, in the future, such requests should be submitted directly to the Commission.
